

Barnwell PTA's Directory is paperless!

We are pleased to announce the entire directory process will be paperless from data collection to making the directory available both on your computer as well as your smart phone.

Enter your child's information today:

- Email communications@BarnwellPTA.org for accesscode.
- Please go to join [.myschoolanywhere.com](http://myschoolanywhere.com) and enter code.
- Once you enter the school code, please enter your information.

Why are we doing this?

- Saves time – this system will help us publish the directory early in the school year AND we can keep it up to date throughout the school year.
- Saves money – no more printing costs (they keep going up!)
- Reduces errors - can correct your information at anytime.
- Also, through this system you will be able to signup for PTA sponsored events etc.
- Access to school calendar

How does it work?

Our new system will involve 2 steps: (1) collecting your information and then (2) giving you secure access to the online system.

How do you access the new online directory?

Once you have joined the PTA and we have received and reviewed your family's information, you will receive an email with login instructions.

What's so great about the online directory?

- It's secure – your family will have a unique login and password and the directory can't be lost or stolen.
- You can search by student's first name, grade, teacher and family last name.
- You can create your own custom list off recently called families.
- You can access the family directory from any internet connected device: your computer, smartphone, iPad, etc.

Is it secure?

YES! All data is stored behind secure firewalls and can only be accessed by authorized users with a validated username and encrypted password. All data is viewed and passed using SSL encryption.

Jennifer Yammout & Adam Lipman Barnwell PTA Co- Presidents
